Foreword

This booklet is based on a challenge Will E. Byrd set himself in January 2024: to overcome procrastination by committing to writing and publishing 11 books and 1000 YouTube videos during the calendar year.

The Imperishable Wonderland of Infinite Fun (Notes) by William E. Byrd with Fergal Byrne is licensed under Attribution 4.0 International 

This entire book can be downloaded for free from https://fergalbyrne.github.io/imperishable.

Shownotes

January 2024

January 26th - Scheme Learning Resources

In which Will Byrd shows us some starting points for diving into his favourite programming language
