

Foreword

This booklet is based on a challenge Will E. Byrd set himself in January 2024: to overcome procrastination by committing to writing and publishing 11 books and 1000 YouTube videos during the calendar year.

[The Imperishable Wonderland of Infinite Fun \(Notes\)](#) by William E. Byrd with Fergal Byrne is licensed under [Attribution 4.0 International](#) 

This entire book can be downloaded for free from <https://fergalbyrne.github.io/imperishable>.

Shownotes

January 2024

January 26th - [Scheme Learning Resources](#)

In which Will Byrd shows us some starting points for diving into his favourite programming language

MIT 6.001 1986 Lecture Series
